

## **The Town Hall, Hebden Bridge**

### **Code of Conduct**

At the Town Hall trustees, staff, volunteers and users of the building agree to help create a positive community environment according to our shared values:

- Integrity, impartiality and honesty
- Equality that values diversity
- Being supportive and respectful

At The Town Hall we:

- contribute to building positive team-working and good communication
- interact with each other considerately, efficiently, and promptly
- Use the facility and resources respectfully, economically and effectively

The Town Hall is operated by the Hebden Bridge Community Association whose trustees have committed not to misuse information or personally benefit from their involvement in accordance with charity law.

If you feel these values aren't being upheld, please raise any concerns to the Director who will raise it with the board of trustees.
